

Employee Leave Policy

Company: Northstar Technologies (fictional)

1. Annual Leave

Full-time employees receive 18 days of annual leave per calendar year.

Annual leave may be used for vacation, personal activities, or other approved purposes.

Employees should submit annual leave requests through the HR portal.

2. Sick Leave

Full-time employees receive 10 days of sick leave per calendar year.

Sick leave may be used when an employee is unable to work because of illness or for an eligible medical appointment.

Employees should notify their manager as soon as reasonably possible when they cannot report to work.

3. Leave Requests

Employees should normally submit planned leave requests at least 3 working days before the requested start date.

Managers review requests based on business needs and available leave.

Employees should not assume that leave is approved until the request has been confirmed.

4. Carry Forward

Employees may carry forward up to 5 unused annual leave days into the following calendar year.

Unused sick leave does not carry forward.

Document purpose: This fictional policy is intentionally simple and structured for testing an employee-onboarding RAG application.
